Fee with Bank

Hand-drawn wireframe of a student portal payment page. The page is titled "Student Portal" and has a sidebar with navigation links: Dashboard, course, attendance, timetable, grade, announcement, enrollment, fee, and profile. The main content area is titled "Payment" and contains a form with fields for "Semester" (value: 2), "due date" (value: 20/11/20), and "amount" (value: 1000). Below the form is a "Select Payment" section with options "Credit/ card" and "Bank transfer". At the bottom are "cancel" and "Pay" buttons.

fee with success message

The wireframe depicts a web application interface for a student portal. At the top, a header bar contains the text "Student Portal" on the left and a small bell icon followed by a "Logout" button on the right. A vertical sidebar on the left side of the page lists navigation options: "Dashboard", "course", "attendance", "grade", "announcement", "enrollment", "fee", and "profile". The main content area on the right displays a "Payment successfully" message, which includes a green circular icon with a checkmark, the text "Payment completed your payment of \$ 200", and a "Done" button at the bottom.
